

A New Voice on Mayfield Heights City Council!

Kathy Telban

Trusted Advocate • Responsive • Outcome-Oriented

I will listen to you & take action!

Vote on November 7, 2023

Your Neighbor

- 19-year Mayfield Heights resident
- Cleveland born; raised in Richmond Heights
- 5-year member of the **Community Emergency Response Team (CERT)** assisting Mayfield Heights, Mayfield Village, Highland Heights and Richmond Heights Fire Departments
- Board member/Assistant Logistic Director CERT
- Member of:
 - Heights-Hillcrest Regional Chamber of Commerce
 - Lyndhurst Garden Club
 - Mayfield Area Chamber of Commerce
 - Mayfield Township Historical Society

A Multi-Dimensional Professional

- 40+ years working with corporate and non-profit organizations; 20+ as a small business owner focusing on improving organizational and learning outcomes.
- Cleveland Metropolitan Bar Association, 30+ years' service as an arbitrator for attorney/client fee disputes.
- Ohio Business and Professional Women State Legislation Chair – lobbying for working women's issues.
- Proficient with Roberts Rules of Order (used to run City Council meetings).
- The Ohio State University, Bachelor of Business Administration degree (Computer and Information Science major); Cleveland State University, Master in Adult Learning.
- Held certifications as a Senior Human Resource Professional (SPHR) and a Certified Performance Technologist (CPT) for over a decade.

I support and will advocate for:

Health & Safety	Communication & Involvement	Full Transparency	Processes & Outcomes
<ul style="list-style-type: none"> • Including in City Council decisions the impact on health and safety of residents, businesses, and the environment. • Fully staffed safety forces with the latest training, equipment, and technology. • Regular building inspections to ensure they are code-compliant and safe. 	<ul style="list-style-type: none"> • Effective communication methods to reach all residents and businesses. • Obtaining sufficient resident and business input on initiatives that may impact them or the city's future priorities. • Holding townhalls and forums for dialogue and to build community. • Establishing both a resident and a business advisory committee. 	<ul style="list-style-type: none"> • Advance online access to all City Council meeting documents for everyone. • Online access to review all grant proposals. • Regular fiscal status updates of the city and projects. • An open checkbook that provides access to data related to budgets, spending, and revenue. 	<ul style="list-style-type: none"> • Exercising due diligence and using appropriate criteria to make informed decisions that reduce emergency resolutions. • Including projected maintenance costs in new project budgets. • Conducting cost benefit analysis to invest in long-term solutions. • Auditing completed projects to identify lessons learned to improve future projects.

***I believe in a city where everyone matters.
We are better when we work together.***
